FROM: Donna Hamilton/Co-op Office
RE: Window Washing the week of July 25th
DATE: July 18th, 2022

Please be advised that (weather permitting) SkyView Window Cleaning Ltd. will be cleaning all LVAC exterior **inaccessible** windows the week of July 25th.

*Note: Balcony windows are considered **accessible** and members are responsible for the cleaning of them.*

Members who live in two-storey studios are instructed to leave the screens and sliding doors of their Juliet balcony unlocked during the day the week of July 25th to allow the window cleaners to move and wash the sliding doors.

Your co-operation and assistance are appreciated.

Please call the co-op office if you have any questions or concerns.

Thank you.
